**application: 10,679,075**

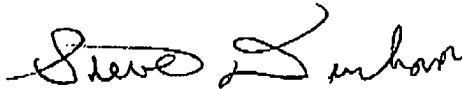

**To: USPTO**

Please be informed that this application **10,679,075** has 2 sets of documents pertaining to this case that were sent on December 28-2007. Those two documents sent on the former day, need to be removed from the IFW...and will be replaced with the 45 pages that were sent on December 31-2007.

Please note this for the file that Mike Spear, Alsa Mebrahtu and Jamal of the USPTO have spoken with me regarding this clarification and confirmation as to what needs to be done regarding this matter.

If you have any questions, I can be contacted as the following number.

Thank You,

Steven Durham/Inventor
